

## **Your Score: An Insider's Secrets to Understanding, Controlling, and Protecting Your Credit Score** *with Anthony Davenport, Founder of Regal Credit Management*

A healthy credit score is essential to participate in today's financial world. Very few people understand how their credit score is determined or how it is used by many companies and banks to dictate financial terms that will strongly affect their daily lives. Credit expert Anthony Davenport seeks to provide people with a road map for navigating the confusing world of consumer credit. Drawing on the real stories of his own firm's clients, he will reveal hidden credit pitfalls and share smart strategies for understanding and protecting your credit.

Davenport's 2018 book, **Your Score: An Insider's Secrets to Understanding, Controlling, and Protecting Your Credit Score**, climbed as high as #53 overall on Amazon's top 100 bestseller's list last year and was also featured in The Oprah Magazine and in Oprah's weekly financial newsletter.
