

2020 ELECTION: POLITICS, DO THEY MATTER WHEN INVESTING?

with Rick Brink, CFA, Chief Investment Strategist, Alliance Bernstein

As November 3rd nears, join us as we discuss the correlation between politics and investing, based on economic data and election outcomes throughout our Nation's history. The following are some of the questions we will explore:

- Do markets deliver better investment results under Republican or Democrat administrations?
- 2020 Candidates: Understanding similarities, differences and historically what has paved the path to presidency?
- What are the investment implications?

This seminar will be presented on Zoom.

WHEN: **Thursday, October 1 at Noon PST**
