About Jennifer Delaney Jennifer Delaney, CFA, Director, is a Product Strategist representing BlackRock's Global Emerging Markets and International equity products within BlackRock's Active Equity group. Based in New York, Ms. Delaney is responsible for advising investors in North America around BlackRock's equity solutions in emerging and international equity markets across fundamental, systematic and iShares. Prior to joining Blackrock in September 2017 Ms Delaney worked as a portfolio specialist on Morgan Stanley Investment Management's Global Emerging Markets Team servicing clients across the globe. Ms Delaney started her career at UBS where she worked for 11 years writing equity strategy research on the emerging markets. Ms Delaney graduated from Cambridge University, England with a BA in Economics (Hons). She is a CFA Charterholder.

About Sean Murphy Sean Murphy, CFA, Vice President, is an iShares Product Consultant for BlackRock's U.S. Wealth Advisory (USWA) business. He is responsible for researching, analyzing, and evaluating a broad range of investment solutions and delivering these insights to internal partners, as well as to end clients. His service with the firm dates back to 2014. Before his current role, Sean was an iShares Investment Management Associate for USWA, where he helped educate financial advisors on the application and benefits of using iShares ETFs. Partnering with an Investment Management Consultant, his team focused on ETF sales for Merrill Lynch advisors across the Northeast and Mid-Atlantic regions. Prior to joining BlackRock, Sean spent 12 years at Citi. Mr. Murphy graduated from Fordham University in 2002 with a bachelor's degree in Finance and a minor in Economics. He subsequently received his MBA from Fordham's Gabelli School of Business with a concentration in Corporate Finance.
