

PSYCHOLOGY OF INVESTING: KEEPING CALM AMID MARKET TURBULENCE

with Baker Vitale, CFA, Director and Senior Portfolio Strategist, BlackRock

For even the most well-intentioned investors, we are all susceptible to our thoughts and emotions that can be detrimental to our investments. During this presentation, we'll share BlackRock's updated market views regarding inflation, the economy, and global central bank policy. Additionally, we'll discuss the keys to long-term investing success, review common biases, and highlight strategies to ensure rationale behavior during periods of market volatility.
